<b>Location:</b>	
<b>Reports to:</b>	Clinical Leader

*“Kotahi mano ngā rā hiki te oranga mō ngā tipuranga i roto i te hāpori*

*In the first 1000 days setting the path of wellness in our communities, for generations to come”*

### Whānau Āwhina Plunket – who we are and what we are about

Whānau Āwhina Plunket is a charity organisation and the largest service supporting the health and wellbeing of tamariki under-five and their whānau in Aotearoa. We're proud to visit over 89% of all newborn babies in Aotearoa and to support pēpē, tamariki and their whānau.

We aim to be a cohesive and effective national organisation grounded in evidence and best practice, with the needs of New Zealand whānau and families at the centre of everything we do.

#### Our Whānau Āwhina Plunket Goal

Pae Ora: Healthy Futures:

- Mauri Ora: Healthy babies and children
- Whānau Ora: Healthy confident families
- Wai Ora: Healthy environments and connected communities

We are on a pro-equity journey where we strive to give life to Te Tiriti o Waitangi principles of Tino Rangatiratanga, partnership, active protection, equity and options in our mahi/work to ensure healthy tamariki, confident whānau and connected communities.

### Whānau Āwhina Plunket Values

*Our values shape our culture and you are expected to work in ways that demonstrate:*

- *Māia – to be courageous and lean into discomfort and challenge as we walk the path of pro-equity*
- *Tūhono – to connect and stand in relationship in calm and safe spaces (Āhuru mōwai)*
- *Manaaki – to care, love, nurture, support and enhance mana. To respect mana atua, mana tīpuna, mana whenua, mana tangata*
- *Māhaki – to be humble as we share our knowledge and experience to understand and learn from each other and foster trust*

## Overview of the Service Delivery Team

The Service Delivery function includes Regional Operations, Plunket Line and Whirihia. The purpose of this function is to ensure the effective and efficient delivery of services to whānau, and to deliver equity across our services in line with our strategy. This team will have a strong focus on operational performance using data insights and reporting to drive that performance.

## Purpose of the Registered Nurse position

To provide family/whanau-based well child health care that incorporates the Standards for Plunket Nurse Practice, Royal New Zealand Plunket Society, 5th Edition, March 2003 and achieve well child targets as outlined in the “The Well Child Framework” and Plunket contractual requirements.

## Dimensions of the position

<b>Functional relationships:</b>	To follow are the main positions that this role will coordinate with; they are not meant or intended to be exhaustive, exclusive or limiting:
<b>Internal:</b>	Plunket Volunteers Community Karitane Plunket Kaiawhina Administration Staff Clinical Advisors Clinical Educators
<b>External:</b>	External agencies Other Plunket Nurses

## Scope of practice

The Registered Nurse focus is on delivering a primary health care services based on the Tamariki Ora Schedule (health promotion, education, clinical assessment and whanau/family support) to child clients aged birth to approximately 5 years, and their whanau/families/caregivers.

Registered Nurses work from a variety of community locations including clinics, homes, Marae and early childhood centres and have extensive knowledge of the communities they work in. Advanced assessment skills and knowledge of child health and development enable Plunket Nurses to provide and co-ordinate care, information, surveillance, and support appropriate to the whanau/families situation. The nature of these interventions is continuous rather than episodic, in a wellness model of health that aims to reduce inequalities of health.

Registered Nurses act as case managers within a Plunket team and work in collaboration with volunteers and external agencies to enhance parenting capacity and child health outcomes. Practice is therefore socially defined and connects health to families/whanau and communities.

## Key accountabilities

(Some will be unique to the position; others will be common across the organisation and level within the organisation.)

Domain	Key Concepts	Performance Indicators/Outcomes
<p><b>PRIMARY HEALTH CARE NURSING.</b>  <b>Standard.</b> The Registered Nurse incorporates principles of primary health care within nursing practice.</p>	<p>Community knowledge, using information to plan service delivery, public health policy, service provision, nursing leadership.</p>	<ul style="list-style-type: none"> <li>• Demonstrates effective and responsible utilisation of health and service delivery resources</li> <li>• Works within a socio-ecological model of service delivery</li> <li>• Understands Plunket’s health promotion and protection role in primary health care</li> </ul>
